ABOUT ME

<div>

Hello, I am a university student, With a dream to become a great and successful Web Developer; I am always ready to learn and innovate creatively; I am patient and communicative, I am able to simplify and solve problems; Organized and disciplined, I seek to join a company with has the same so we can grow together.

</div>

EXPERIENCE

2017 - 2021

ETE-Porto Digital

Technical school

<div>

Besides high school I also took a course in Systems Development with emphasis on new technologies.

There I learned:

</div>

JavaScript

Java

SQL

Html

3 months

Zevvy

Software company in Horw, Switzerland

<div>

There I studied JavaScript, improving my communication and reasoning skills.

I also had contact with daily team dynamics and learned how to maintain a healthy and productive work environment.
